Tips for Heart-Healthy Eating

- Eat smaller portions.
- Choose non-fat or low-fat dairy products.
- Choose lean meats.
- Remove skin from chicken and other poultry.
- Eat at least 5 servings of vegetables and fruits every day.
- Split entrees and desserts with a friend when eating out.
- Ask for dressings, sour cream, and sauces on the side.

Tips to Increase Your Activity

- Take the stairs instead of the elevator.
- Park your car at the far end of the parking lot.
- Take a 5- to 10-minute walk after each meal.
- Play with a child.
- Work in the yard or garden.
- Take an exercise class.
- Go dancing with friends.
